Water Leak Repair Adjustment Application

Please complete the following form and attach or provide all required documents; any missing information may delay the processing of this application or cause the application to be rejected. The Leak Repair Adjustment rewards customers for fixing leaks and is limited to one in a rolling 12-month period. A customer may apply for this bill credit provided that:

- The bill in question was greater than two times the average water use.
- The customer has not received a Leak Repair adjustment in the previous 12 months.
- The customer has submitted this application within 60 days of the end date for the service period in question.

All information marked by asterisk () is required.*
